

Weekly Bulletin

(Week ending 16th October 2026)

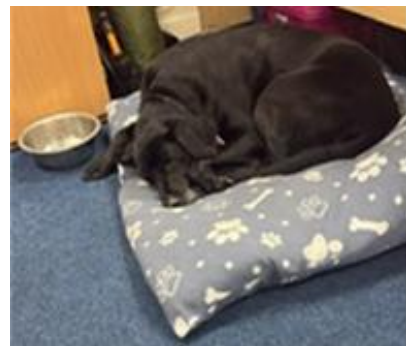

*"With God's guidance; sowing the seeds of success;
nurturing and inspiring pupils and adults to flourish."*

What's been happening

Our year 5 pupils invited residents from Carnalea to join them for a World War 2 Victory tea party. The children baked for the residents, served them tea and sang some songs for them. We are very proud of how they presented themselves to the residents, showing their best behaviour and welcoming them to our school.

Luna

Our school dog Luna has settled really well into Ospringe School life. She has made lots of friends with the children and helped a few of them with their fear of dogs. During the day she rests in the office but spends lunchtime on the field where children can request to hold her lead. She has supported many children who might be dysregulated through the day and even helped to keep a smile on the adults faces too!

Thank you all for your support in welcoming a school dog into our community.

Upcoming events and reminders

We are looking forward to welcoming parents to our parent consultation meetings on Monday and Wednesday of next week. You should now have your allocated times sent through via Parentmail. If you do not yet have an appointment, please contact the school office. On arrival please come to the school hall and sign in at the table near the entrance. You will be asked to confirm the details we hold for emergency contacts for your child and can then look at your child's work whilst you wait for your child's teacher to collect you from the hall.

Term 1 ends next Thursday 22nd October at 3.20pm. Children return to school on Monday 2nd November. We hope you all have a lovely half- term break.

On Tuesday 3rd November, Braiswick photography will be in school to take individual photographs of all children. If you would like a sibling who does not attend our school to have a photograph alongside a school pupil, please come to the school office at 8.30am.

Our neighbours in Water Lane and Mutton Lane have asked us to remind parents, once again, not to block or park on their driveways. One resident missed an important medical appointment as he could not get out of his driveway so please show consideration. Thank you.

Attendance update

Ospringe CEP School ATTENDANCE 2026-2027
